ATTENDANCE POLICY

1. Rationale

At Moorlands Schools Federation we require the highest level of attendance from every child. Regular attendance is a legal requirement and provides the opportunity for each child to develop his or her potential during their time at school. It is important that children have the opportunity to experience the full range of a balanced curriculum with its contribution to their daily moral, spiritual, cultural, mental and social development. Irregular attendance and lateness lead to children feeling out of touch with school life and falling behind with their work.

Optimum levels of attendance can only be achieved when responsibility is accepted and shared by all concerned. This includes Bath and North East Somerset Council, governors, school staff, parents, children and the local community.

This is reiterated in our home/school agreement (**Appendix i**).

Aims

In this policy, it is the school's aim to:

- Make it clear that the expectation for each pupil is 100% attendance unless the child is prevented from attending due to illness or any *unavoidable* cause.
- Maximise attendance for each child in order that they may achieve their full potential academically and socially
- Ensure their safety and wellbeing
- Provide a positive, caring and stimulating environment where children will enjoy coming to school

2. Attendance records:

The school sets an annual target for attendance based on national expectations and the school's previous attendance figures. We report this target figure at the beginning of each academic year in our school newsletter. As with all areas of our school, we are aiming for excellence. Therefore, we are committed to raising the standard of attendance to well above the national average to meet our aim to be an outstanding school. That is why we say that the expectation for each pupil is 100% attendance unless the child is prevented from attending due to illness or any unavoidable cause.

2.1 Attendance is registered twice daily and any absence is either **authorised** or **unauthorised** depending on circumstances. A full school report is produced termly which is monitored by the school and the Local Authority's Children Missing Education department.

2.2 Any child whose attendance is falling below the school attendance target during the academic year will receive a letter indicating that the school has some cause for concern (**Appendix ii**). The parents/carers of any child whose attendance figures fall below 90% will be invited to discuss the issue with the Headteacher to identify whether there is any support that can be provided by the school (**Appendix iii**). Children with significantly low attendance will be referred to the Children Missing Education Officer (CMEO) at the Local Authority (**Appendix iv**).

2.3. Lateness

The beginning of the school day is an important time to ensure that children are settled, organised and ready to start learning. Children are expected to arrive in school between 8:35 and 8:55am daily, in time for registration at 8:55am. The parents of any children arriving after this time will be expected to sign the 'late' book, giving a reason for their late attendance. If they arrive late but before 9:15am, a late mark is entered in the register. If a child arrives after 9:15am it will be deemed as unauthorised absence for that session. The Headteacher will contact the parents/carers of any child who is persistently late to discuss and resolve any barriers that may be preventing a child from attending school on time.

3. Absence through illness:

3.1 If a child is unwell he/she will need time at home to get better. Parents can support other families by ensuring that children with contagious diseases (e.g. sickness bug, conjunctivitis, flu) are better before returning them to school. Further guidance is given in our School Handbook.

3.2 At these times, parents should contact the school before 9.30am on the first day of absence, explaining the reasons. The school would be concerned if a child was absent frequently from school for short periods of time and would contact the parents/carers to discuss any issues and identify whether support could be provided (e.g. from the school nurse) to enable fuller attendance. It is likely, at this point, that a [medical action plan](#) will be introduced to ensure that each child's needs are being fully met. This would involve absence for medical reasons being unauthorised unless supported by information from medical professionals such as an appointment card.

3.3 If we are unable to reach parents when a child is absent and no explanation has been given, we will continue to attempt to contact them on a daily basis. After 10 days we will report this absence to the [Children Missing Education Officer](#), as a safeguarding precaution, and they are very likely to conduct a welfare check at the child's home.

3.4 The school would follow guidance from the Children Missing Education Service (CMES) in cases of prolonged absence to ensure full support.

4. Planned absence from school:

If parents request a period of planned absence the school will provide an appropriate form to complete providing the circumstances/timing. **Absence will only be authorised if it is unavoidable or arises out of exceptional circumstances. The decision whether or not to authorise absence is the headteacher's, taken with the support of the school governors.**

Also, if a pupil does not return on the date given, the school will attempt to contact the parents. If we are unable to make contact, we will pass this information on to the Children Missing Education Service as a safeguarding precaution.

6. Regular planned absence:

There may be some **exceptional** circumstances where it is necessary for a child to be regularly absent from school (e.g. on a weekly basis). Reasons for this may include medical treatment or counselling. Should such circumstances arise, the parent would need to complete the form - **Request for Regular Planned Absence** outlining the 'exceptional circumstances' for such a request. In this case, the 'exceptional circumstances' outlined will be required to prove that this absence is necessary because it supports a child in a way that is beyond current school provision.

7. Request for absence to take holiday in term time planned absence:

Parents and carers who wish to request holiday in term time, or a longer term planned absence for their child from school, are required to complete the form - **Request for Absence to take Holiday During Term Time or Longer Term planned absence (more than two days)**. This must be submitted at least two weeks before the intended absence and well before any holiday bookings are made. Any requests that are not submitted within these given requirements will automatically be refused. In line with Government guidance, parents/carers will be required to outline the '**exceptional circumstances**' which form the basis for their request. Absence will only be authorised if it is unavoidable or arises out of exceptional circumstances. The decision whether or not to authorise absence is the headteacher's, taken with the support of the school governors. **The school considers that any significant absence is likely to have a negative impact on an individual's education. Parents have a legal duty to ensure regular attendance in school. Unauthorised absence may result in a fixed penalty notice being issued by the local authority.**

8. Equalities

At Moorlands Schools Federation, we treat all parents and pupils equitably, while taking into account specific medical needs when it comes to handling pupil absence. We recognise that we have pupils on roll with specific needs and work closely with parents to take these into account. Medical Action Plans will be introduced to support this process at the discretion of the head teacher.

We also recognise that we currently have pupils on roll who are the children of members of staff. Their absence from school will be treated in the same way as for any other pupil. In particular, the decision whether or not to request that a child be taken home by a parent will be made by school staff other than the pupil's parent. The absence will be authorised when this has happened, as it would be for any child.
