Dear Parent/Carer,

I am writing to update you of the situation regarding the new uniform.

The highly unusual circumstances of the past few months have resulted in unexpected consequences for M&S – our supplier of the personalised items – and these have led to unavoidable delays beyond our control. I would like to thank you for your patience while we have been working with them to resolve these issues. I am happy to report that all items of the new uniform are now available to purchase from M&S. Given the current situation, however, we have made a number of changes to the uniform policy for the 20/21 academic year:

- The new uniform will be optional for **ALL** year groups during 20/21.
- If you would like your child(ren) to wear the new uniform, no ties should be worn by Junior children until January 2021 at the earliest for H&S reasons; we will review the situation closer to that time.
- Caps with the Moorlands logo are optional only.
- M&S will only be selling the new green uniform available; the PTA has a large stock of branded and non-branded second-hand burgundy uniform available to purchase at a very reasonable cost (£1 per item). Details of how to buy this will follow from the PTA.
- Donations of old uniform for the PTA to re-sell can be dropped off at the entrance to each school from tomorrow (Thursday, 9th July). Please wash the clothes first and bring them in a bag that is labelled to say which items are inside.

The new uniform can be purchased via the link below. Unfortunately, the M&S IT department are having difficulties uploading the photos of the individual items with the Moorlands logo on them. However, they have reassured us that all branded items are in stock and available for immediate purchase and that they are working hard to overcome the problems as a matter of priority. They have also advised their current 25% summer uniform discount offer will continue until 30/09/20.
