This curriculum development overview shows the direct link to the EYFS curriculum. Long Term Reception Planning for all areas will show cross-curricular links.

Our curriculum encompasses the needs and interests of the children.

All areas of the EYFS curriculum are covered throughout the academic year however, at certain points, some areas of learning have a deeper focus. For example, under our learning topic Heroes, we look more closely into 'People, Culture and Communities' and 'The Past and the Present' aspect of the curriculum. Whilst emphasising on these specific ELGs, we also ensure that all other EYFS curriculum areas are intertwined within this topic. Such as, gross and fine motor skills, which is continually supported throughout any topic.
